<p>DESCRIPTION</p> <p>PHASE 1 Each student builds a structure from Logifaces pieces. It does not have to follow the rules of smooth surfaces.</p> <p>PHASE 2 The students form groups of 6 to 8 or as needed. One is the director, who directs students to model the director's (or another student's) structure with their bodies.</p> <p>NOTE In phase 2 they can also use photos of structures.</p> <p>OPTIONAL The students work in groups of 3 to 4, and are asked to make up their own movement game. Then they share their games with the whole class, the class can try some of them.</p>
