DESCRIPTION

Students calculate the volume of the different Logifaces blocks.

For blocks 111, 222 or 333, the calculation of the volume is easy, since they have the shape of a regular prism. However for blocks with a shape of a truncated prism the task of calculating the volume is a little more complicated.

LEVEL 1 Find the volumes of the blocks 111, 222 or 333.

LEVEL 2 Find the volume of the blocks 123 or 132.

SOLUTION(S)
