<p>DESCRIPTION</p> <p>With the link below students can play with an online 3D version of a Logifaces block using their mobile devices: https://www.geogebra.org/m/ew4n8hwb</p> <p>They can change its size, turn it, look at it from all directions, and change the heights of the block. The teacher can project the 3D model then set the heights and ask students to find the right block from the sets given to them.</p>
